PROPERTY DESCRIPTION

Wow-Chantilly Deluxe! Gorgeous remodeled home on a tranquil oasis, 5 minutes from uptown Charlotte. Post-WWII brick home has a fabulous balance of **classic charm and modern conveniences**. The original hardwoods throughout main level were recently refinished and new carpet upstairs. The kitchen is a dream with **granite counters**, tile backsplash, stainless steel appliances, new cabinets, and new lighting. Two spacious bedrooms on the main level provide privacy and flexible space. The master suite is a recent addition upstairs, and includes an **expanded master closet** with his-n-hers space. The **loft** currently serves as a home office but could be another sleeping space or workout room.

The best part of this house, though, is outside. The front walk passes a lovely **rock water feature**, and when you enter the privacy fenced backyard, you will find a stone paver patio leading to another stone patio flanked by a **waterfall and koi pond**. The hot tub is secluded by landscaping and the storage shed is the perfect place for gardening tools. Serenity awaits you at 2406 Shenandoah Avenue! You will be in love. Call us today for a private showing.
